Lowcountry Middle School COMMUNITY FOOD DRIVE

In the spirit of giving and serving in our community—even small gestures can make a great impact. Our middle school, headed by the 7th grade World Geography class, is gathering donations for the **Baskervill Food Pantry**. This outreach offers supplemental food to approximately 400 Georgetown County adults/children each month.

Non-perishable items most needed at this time include:

- · Canned Fruit
- · Canned Beans
- Canned Tuna
- Canned Chicken
- Peanut Butter

We will collect these items over the next two weeks. Anything you can contribute is much appreciated!

"If you can't feed a hundred people, then feed just one."

Soon your children will be reaching an important milestone in their academic lives, transitioning from Lower School to Middle School. The school is sponsoring several events to assist rising sixth graders, the Class of 2031, with this transition. We extend a warm welcome to these students and invite them to participate in our upcoming events described below. - March 25: Middle School Teachers will visit the 5th grade classroom to talk about the middle school experience
- April 8: Current 6th grade students will visit the 5th grade classroom for a Q & A session
