Week of March 22nd-29th, 2024

Thank you so much for the donations we have already received! Contributions have been rolling in all week from families in Lower, Middle, and Upper Schools, and we couldn't be more grateful for your help in making this food drive a success. There's still plenty of time to get your items in. We will be taking donations through next Thursday.

Lowcountry Middle School COMMUNITY FOOD DRIVE

In the spirit of giving and serving in our community—even small gestures can make a great impact. Our middle school, headed by the 7th grade World Geography class, is gathering donations for the **Baskervill Food Pantry**. This outreach offers supplemental food to approximately 400 Georgetown County adults/children each month.

Non-perishable items most needed at this time include:

- Canned Fruit
- Canned Beans
- Canned Tuna
- Canned Chicken
- Peanut Butter

We will collect these items over the next two weeks. Anything you can contribute is much appreciated!

Marlins Got Talent!

Today's Chapel Assembly was a showcase of some of our musically inclined students.

Ryan Corcoran, Rhys Wahl, and Avery Sinclair took the stage this afternoon, accompanied by our own Tony Starlight along with one of Mr. Starlight's private music students. After Ryan shared some words about faith, he performed Pachelbel's Canon, followed by Rhys and Mr. Starlight's version of Reckless Love by Cory Asbury. The finale was an impressive vocal and guitar cover of the Beatles' Let It Be by Avery. We are so proud of our talented Marlins, and thank you for sharing your art with us today!
