Annual Fund

LOWCOUNTRY PREPARATORY SCHOOL

INVITES YOU TO A

Lowcountry Boil

BENEFITTING THE ANNUAL FUND

SUNDAY, OCTOBER 1ST
4:00-7:00

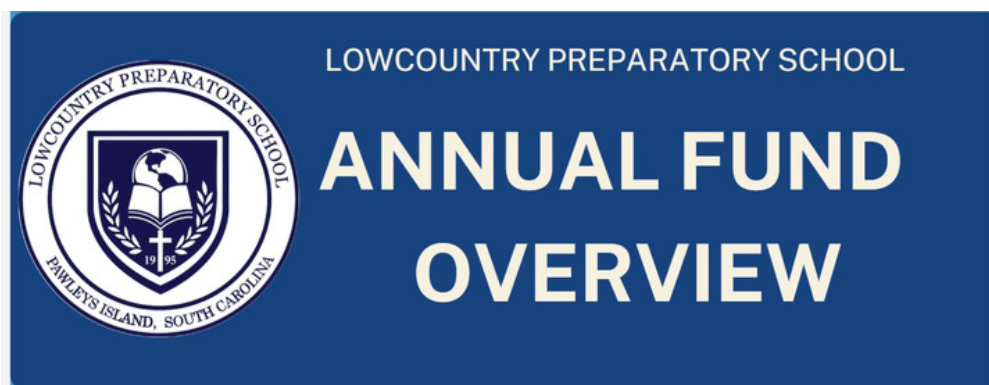

at Lowcountry Prep

Lowcountry Boil

The Lowcountry Boil held at LPS on Sunday, Oct 1st from 4-7pm was a fantastic gathering. The turnout was impressive, and the food, prepared by Carlin and Sean, was absolutely delicious. The weather couldn't have been better, adding to the overall enjoyment of the event. Everyone had a fantastic time, and it's always wonderful to come together for such enjoyable occasions.

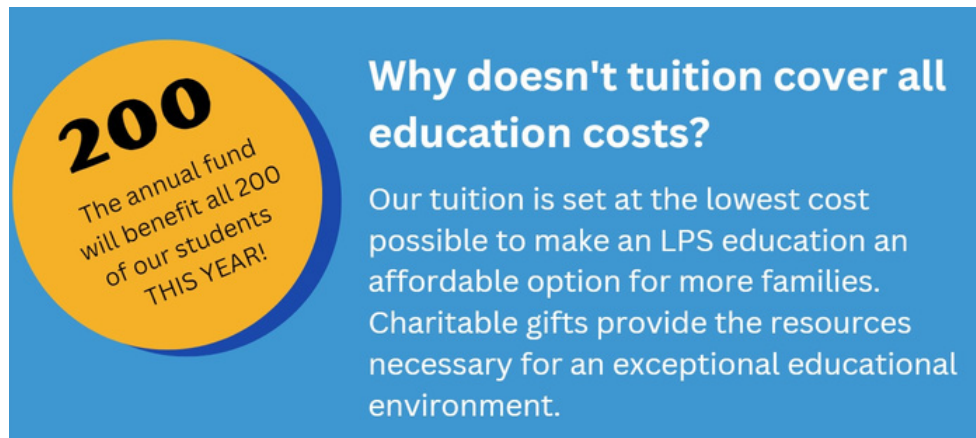

Special thanks to Erin Angner and her set-up crew for the wonderful decorations and to our own Mr. Tony Starlight for his outstanding musical entertainment!

The Lowcountry Boil marked the kick-off for our 2023-2024 Annual Fund. Throughout October, we will be providing our Marlin community information about giving.

It takes a combination of tuition and charitable donations to provide the distinctive and ideal learning environment that Lowcountry Prep offers. Your generous financial giving supports the heart of our school, furthers the impact of our mission and allows for: small class size that encourages **meaningful connections**, exemplary teachers that design **enriching**

experiences, and the prioritization of a **secure and supportive environment** where students feel physically, emotionally and educationally safe.

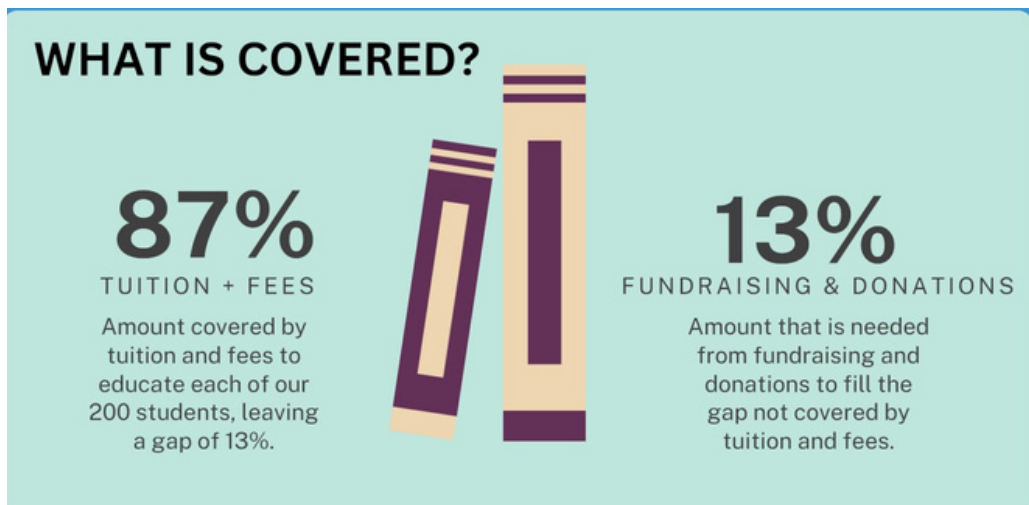

200
The annual fund will benefit all 200 of our students THIS YEAR!

Why doesn't tuition cover all education costs?

Our tuition is set at the lowest cost possible to make an LPS education an affordable option for more families. Charitable gifts provide the resources necessary for an exceptional educational environment.

Most independent schools cannot charge the full cost of educating students without pricing themselves out of the market, and our school is no different. While tuition at Lowcountry Prep covers the essentials, it is the additional revenue received from the Annual Fund, BASH, and other activities which provide the depth and breadth of the total experience students receive at this school. Tuition covers about 87-percent of the school's operating expenses. The other 13-percent is made up through tax-deductible charitable giving.

Your gift to the Annual Fund both maintains and strengthens the educational program for our 200 students and provides thoughtful resources for faculty and facilities. Each dollar is an investment that enriches our physical plant and our students and enhances the ideal and desired learning environment that Lowcountry Prep strives to provide now and in the future.

All donations are 100% tax deductible.
