Rising 8th grade for French 1

Begin learning French on Duolingo. Create a free account. You should start from the beginning and spend at least 30 min per week practicing your new French. I will check your account with you when you get back on the first day of school. Your account will show your badges you have earned and your effort.

French 2- rising 9th grade

Create a free account in Lingua.com.

For Level A1 choose any 5 readings and complete. Keep track of what you have learned (print the screen, save it, take notes, etc)

The first day back I will ask which 5 readings you completed, and there will be a quiz on those 5.

Also, create a free account on duolingo. You should spend 30 min per week on learning French. I will check your account when you get back on the first day of school. Your account will show your badges you have earned and your effort.

French 3- rising 10th grade

Read a book of your choice from my mini French library. We will discuss in French when you return, and have a small quiz. You should take notes in French on what you have read.

Join Lingua.com for free. Do the 4 free listening comp activities from level A1/A2. There will be a small quiz on the listening comp on the first day back.

French 4- rising 11th grade

Read a book of your choice from the French "bibli". You will have a quiz on the book the first day back.

Create a free account on lingua.com

Do the level B1 free listening comp activities. There will be a quiz on those activities the first day of school.
