

Lowcountry Prep will be hosting an admissions Open House event on Tuesday, January 30th. Our Open House is designed to provide prospective families with the opportunity to visit campus and learn more about our Lowcountry Prep program. That morning, guests will meet with administrators, be provided student-guided tours of our facilities and get to observe the meaningful connections, enriching experiences and the secure and supportive environment that contribute to making Lowcountry Prep the ideal place to learn.

As a current Marlin family, your encouragement is the most influential marketing voice. If you have a friend or neighbor that might be interested in this informational session, encourage them attend and direct them to our school website where they can access the <u>Open House link</u> and register.

Lunch orders are now open! You have until January 8th (Monday) at noon to submit. Be sure that the orders have turned **BLUE** after submission. If they remain **RED**, the order has not processed and your student's items will not be included in the delivery.
