

10th Grade Personal Finance/Economics Summer Assignment 2023-2024

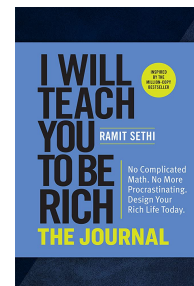

Welcome to the exciting world of personal finance and economics! In this Honors class, we will embark on a journey to understand the fundamental principles that shape our financial decisions and the broader economic landscape. Through engaging discussions, interactive activities, and real-life examples, you will gain practical knowledge and skills to make informed choices about money, investments, and budgeting. We will explore various topics, including budgeting, saving, investing, banking, credit, entrepreneurship, and the global economy.

Get ready to analyze economic trends, evaluate financial risks, and develop strategies for long-term financial success. Whether you aspire to become a savvy investor, an entrepreneur, or simply want to navigate the complex world of personal finance, this class will equip you with the tools and confidence to thrive in today's dynamic economic environment. Let's dive into the fascinating realm of personal finance and economics together!

Please purchase the following journal for your summer assignment. We will also continue to use this journal throughout the school year.

Here are links for the journal:
