

Students entering French I

The World Language department expects students to complete a few activities over the summer. All work should be completed upon return to school on August 14th, and students should be prepared to have a quiz on Friday, August 16th based on the work they completed. This quiz will constitute your first quiz grade of the 2019-20 school year.

Watch the following movie listed below:

- Ma Vie de Courgette (My life as a Zucchini - a movie available on Netflix, please watch in French

Review vocabulary on Quizlet that is part of the Summer French I Class:

- Quizlet Practice: <https://quizlet.com/join/gPxYv8HEA>
- Duolingo

In addition to the activities above, students should complete 20-30 minutes per week of French work during the months of June and July, focusing primarily on reading and listening activities, in addition to vocabulary building and grammar review. I recommend doing four different activities per week.

This is just a list to get you started. You may also listen to French music, or maybe your travels this summer will take you to a French bakery where you can converse in French with one of the owners! Please document any of these experiences that are not related to one of the links below with pictures!

Please direct any questions to Abby Van Hoewyk, Middle School & Upper School French Teacher at avanhoewyk@lowcountryprep.org.

Je vous souhaite un été merveilleux!
