

Students entering Spanish 2:

This summer, the foreign language department will expect the students to complete a few activities over the summer.

Once the students return from summer break they will have a Quiz covering the items listed on this page the first week of school.

- **Complete 15 activities assigned on Garbanzo** - an online learning resource. You must create a username and password with the following link:
 - gbnz.io/83379
 - On the page that opens up, insert the following code:
JAGUAR-83379

You will then be directed to create an account. Once you have created an account, Activities will be assigned to you. Please note that you will only have one chance to complete each activity, so take your time and do not rush. **If you are under the age of 13, a parent will have to activate your account for you.

- **Watch all the episodes of ONE of the Spanish shows listed below**
 - Extra - available on Youtube. Please watch 7 episodes.
<https://www.youtube.com/watch?v=Dfb9-ZTCA-E>
 - Destinos - available online. Please watch 7 episodes.
<https://learner.org/series/destinos/>
- **OR watch the two movies listed below.**
 - Cartas A Elena - a movie available for free on Amazon Prime
 - Sea Level - a movie available for free on Amazon Prime
- **Quizlet Practice:** <https://quizlet.com/join/jQx52KSYB>

Please direct any questions to Keely Elliott, Middle and Upper School Spanish Teacher at kelliott@lowcountryprep.org

In addition to the above, students should complete a minimum of 40 minutes per week of Spanish work during the months of June and July, focusing primarily on reading and listening activities, in addition to vocabulary building and grammar review. I recommend doing four different activities per week.

This is just a list to get you started. You may also listen to music, or maybe your travels this summer will take you to a restaurant where you can converse in Spanish with one of the

owners! Please document any of these experiences that are not related to one of the links on the back page with pictures!
