

LOWCOUNTRY SPRING TENNIS 2022

Its time to defend the title! Let's Go Marlins!

Please keep in mind a few things as we start the spring season.

-Each student must be registered and cleared to play.

Physicals need to be submitted and grades need to be up to standard.

-Flexibility is a must with tennis. Weather can often interfere with start times and create make up dates when matches are not able to be played.

I will communicate via text when matches or practices need to be rescheduled last minute due to weather.

My cell phone # is 843-240-9283, Text is preferred.

-This is not my full-time job, I am paid a small stipend that covers gas to the courts. I mention this to ask for understanding if/when weather causes scheduling changes.

-We are the defending A/AA SC State Champions, our schedule will reflect that, and expectations are high.

****Tryouts will occur Monday 2/28 and Tues 3/1 at East Bay 4pm...**

This is open to all student's 6th grade and up, boys and girls.

The top 8-10 players will be kept as the traveling Varsity team and if we have extra players then a JV team will be considered.

Thurs 3/3 4pm- varsity ladder matches. Mandatory for all varsity players.

All home matches and practices will be at East Bay Park in Georgetown. 4pm sharp for practice and matches. 3:50 is even better.

We will send out a parent sign up for driving to away matches and home match dinners for both teams. Water

and Gatorade are needed for all events.

Practices listed as mandatory includes ALL varsity
